Dear Mr. Newman,

I received your check for payment of 2009 C4 dues. According to my records, you are a Life Member and therefore no longer required to pay dues annually.

I am therefore returning your check to you.

As an aside, I'd like to say that I've used and enjoyed your book of Engio Cents. I also look forward to buying your recently-published latest edition of your Early Paper Money book!

Sincerely,

Charlie Rohrer
